

# SIDEWALK CLEANING

## Notice!

Beginning in early November KC Pressure Washing LLC. Will begin cleaning all of the sidewalks in our community. This will be sidewalks ONLY and will not include your driveway. Individual home owners are still responsible for cleaning their driveways. The entire process should take about 6 or 7 days over the course of about 2 weeks. Please contact the Board of Directors via email at [coventryvillagefl@gmail.com](mailto:coventryvillagefl@gmail.com) if you have any questions or concerns. Thank you for your assistance as we work to improve our community.

### Prepare

All home owners are asked to do the following before cleaning begins:

1. Remove all obstructions from your sidewalks. I.e. Basketball hoops, bicycles, trash cans etc.
2. Edge your grass along both sides of the sidewalk.
3. Remove weeds and grass from any cracks/seams in the sidewalk.

\*This will help to ensure a hassle free and effective cleaning.
